MEMORANDUM FOR: Colonel White

SUBJECT : Proposed Notice [REDACTED] "Status of CIA
Military Reservists"

1. The attached proposed Notice is substantially that approved by the Career Council at its 15 December meeting.
2. In paragraph 2.b. the "election of Category 1 is encouraged." Prior to this paragraph no mention had been made of any election; all that had been talked about was the utilisation of a reservist. I think it would read a little better if it were changed somewhat as follows:

"Because of the importance . . . from time to time, reservists are urged to elect, and operating officials and heads of career services to approve, placement in Category 1, unless continuation of duty in a civilian capacity is clearly indicated in the interests of national security."

3. Signature is recommended.
